Pioneer Chromebook 1:1 Initiative

2017-2018 School Year

The focus of the Chromebook program in District 484 Pierz is to provide tools and resources for the 21st century learner. Excellence in education requires that technology is seamlessly integrated throughout the educational curricula. Increasing access to technology is essential to maximize college and career readiness skills. The individual use of Chromebooks is a way to empower students to achieve their full potential and to prepare them for college and the workplace.

The policies, procedures, and information within this document apply to all Chromebooks and other technology devices used at Pioneer Elementary considered by the Administration to come under this policy.

Receiving Your Chromebook
Chromebooks will be distributed to all 6th grade students at parent/teacher conference, November 2017. This Chromebook and Agreement policy outlines the parameters for families to protect Chromebooks and the District’s investment in them.

Parent/Guardian Orientation
All parents/guardians are required to sign the signature page online.

Chromebook Rules & Guidelines
These rules and regulations provide students and parents/guardians awareness of the responsibilities involved with the use of a district-owned Chromebook. In general, this requires efficient, ethical and legal utilization of all technology resources. Violations of these rules and guidelines will result in administrative review and potential discipline. Use of technology is a privilege, which will be withdrawn for irresponsible users.

- Technology, including Chromebooks, must be used only:
  - To support learning
  - In compliance with local, state, and federal laws
  - To be academically productive

- Security Reminders:
  - Share logins or passwords ONLY with parents or guardians.
  - Follow Internet safety guidelines and school rules and policy
  - Understand that device and network use are filtered and monitored and students have no expectation of privacy in their use of these school resources

- Students are prohibited from:
  - Defacing Pierz ISD 484 issued equipment in any way, including but not limited to the following:
    - marking, painting, drawing or marring any surface of the devices or
any stitching on the case.

- applying any stickers, skins, or tags to the Chromebook or the carrying bag.

*If such action occurs, the student may be billed the cost of repair or replacement.*

**Optional Insurance**
Optional insurance may be purchased for $20 per academic year (ending on the last day of school). Families will be asked to indicate if they want the optional insurance or not on the Chromebook Signature Page (located online on the District webpage - Under Pioneer Elementary - Chromebook 101 - Chromebook Signature Page). *If Optional Insurance is chosen, the fee is due before taking possession of the device or whenever a student is enrolled in ISD 484. The fee will not be refunded at the end of the school year or when a student withdraws from the school district.* See additional policy information on pages 3-6.

**Repairing/Replacing Your Chromebook**
All Chromebooks in need of repair must be brought to the media center as soon as a problem is detected.

**Vendor Warranty**
Chromebooks include a one-year hardware warranty from the vendor. The vendor warrants the Chromebook from defects in materials and workmanship. The limited warranty covers normal use, mechanical breakdown, and faulty construction. The vendor will provide normal replacement parts necessary to repair the Chromebook or, if required, a Chromebook replacement. The vendor warranty does not warrant against damage caused by misuse, abuse, or accidents.

**Replacement Costs**
The following are the costs of Chromebook parts and replacements (including shipping and handling):

- Full Chromebook replacement - $300
- Screen - $55
- Keyboard - $84
- Chromebook AC Charger - $15
- Bag - $20

The ISD 484 optional insurance covers the device only. *It does not provide coverage for accessories (power adapter, cable, cover or case) provided by the District.* The District will cover all costs for accidental breakage and loss under the terms listed.

In the case of theft, vandalism, and other criminal acts on District property, the student or parent should file a police report by the end of the next school day or within 48 hours of the occurrence with the Pierz Police Department.

Incidents happening off campus must be reported to the local police entity by the parent and a *copy of the police report must be brought to the school within 48 hours of the occurrence.* If it occurs on the weekend or during a school break, the report should be filed by the end of the next school day.

The student will be charged the Fair Market Value of the device if lost or vandalized and not reported, or if deliberately damaged – *see Fair Market Value chart below.*
Students/Parents are responsible for reasonable cost of repair for a deliberately damaged device or damage interpreted as neglect - see Table of Estimated Repair/Damage Costs

### Caring for the Chromebook

The device is district property and all users will follow this procedure and the Pierz ISD 484

  • Students will use the Chromebook assigned to them and not lend or borrow a device.
  • Students are responsible for the general care of the school-issued Chromebook, including:
    • Keeping the device battery charged for school each day.

    • Storing and inserting cords and cables carefully into the device.
    • Never leaving the device unattended, unlocked car, an unsupervised area or an area that exposes the

Administrators will communicate these determinations to parents or guardians and discuss responsibility for repair/
replacement as necessary.

**Chromebook Bag**
  • Students will be assigned a Chromebook carrying bag for the device.
  • Students are expected to protect and take proper care of the carrying bag.
