

**2019-2020 Annandale Elementary Grade 2 Choice Board (#2)**

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have caregiver/parent sign the bottom of the form.
- Students please return this sheet to your teacher **within 3-5 days** upon your return to school.

Math	Reading	Writing	Science / Social/Health	Specials
<p>Log onto Prodigy <a href="https://play.prodigygame.com/">https://play.prodigygame.com/</a></p> <p>Play for 15-20 minutes</p>	<p>Read to yourself for 15 minutes.</p>	<p>Write a procedural text (also known as a How To). Be sure to include present tense verbs, adjectives and details when writing your text so someone could follow it easily. .</p>	<p>Teach your parents how you've learned to wash your hands really well at school. (remember to scrub really well, you can even sing the ABC's to make sure you wash long enough.</p>	<p align="center"><b>PE</b></p> <p>Think of 10 exercises that you could do at home. Do 10 or 10 seconds of each of those exercises (ex. Running in place, sit ups, push ups, stretching...)</p>
<p>Find 5 items around your house. Assign prices to them (keep the amounts under \$1.00 each).</p> <p>Pick two items and add them together.</p> <p>Repeat this 3 times.</p>	<p>Read out loud to a family member, pet, or stuffed animals!</p>	<p>Write a letter so a friend at school telling them what you did at home over the break. Be sure to include</p> <ul style="list-style-type: none"> <li>-Date</li> <li>-Greeting (Dear ____)</li> <li>-Body</li> <li>-Closing (Sincerely)</li> <li>-Signature</li> </ul> <p>You can deliver the letter when you get back to school</p>	<p>Pepper and Soap Experiment Go to this website and try the following experiment: <a href="https://www.education.com/science-fair/article/pepper-and-soap-experiment/">https://www.education.com/science-fair/article/pepper-and-soap-experiment/</a></p> <p>This models how soap helps keep germs away from our body.</p>	<p align="center"><b>Art</b></p> <p>You're learning about drawing animals in art for our zoo field trip.</p> <p>Pick an animal and practice drawing it.</p>
<p>Stop 6 times throughout the day, look at an analog clock and record the time to the nearest 5 minutes</p>	<p>Read a fictional story. Record a summary of the story using Somebody Wanted But So Then on the attached summary sheet.</p>	<p>Practice your spelling words any way that you'd like. Here are some ideas</p> <ul style="list-style-type: none"> <li>• with colors</li> <li>• Have your parents give you a practice test.</li> <li>• Practice them in shaving cream.</li> <li>• Rainbow write them</li> </ul> <p>(if you don't have a paper list, log into Seesaw to see an electronic version)</p>	<p>Look into the weather today. Write a short paragraph describing</p> <ol style="list-style-type: none"> <li>1. The temperature and what you'd need to wear outside in that temperature.</li> <li>2. Precipitation (is it raining or snowing)</li> <li>3. Wind (is it windy or not).</li> </ol> <p>If you can, record the temperatures of a few days and make a bar graph comparing them.</p>	<p align="center"><b>Music</b></p> <p>Make up a short dance to one of your favorite songs.</p>
<p>Complete an addition and subtraction fact test (do at least 50 problems of each)- the tests are attached.</p>	<p>Read a nonfiction story and write down 5 facts that you learned while reading.</p> <p>Bonus: Could you write a KEY WORD summary of the text?</p>	<p>Practice your spelling words by writing them all in complete sentences.</p> <p>Check your sentences for punctuation and capital letters at the beginning.</p>	<p>Locate a map. Can you find and list the 7 continents on Earth?</p>	<p align="center"><b>Media/Tech Literacy</b></p> <p>You've learned about Google Classroom. See if you can get into Mrs. Dreier's google classroom from home and send a message to the class.</p>
