Reading

We just finished working on our classroom play. We presented it to a very appreciative audience today. It was called "The Ghost of Plymouth Castle," and all of the students in the class participated in it, either in front of the curtain or behind it. We worked very hard on it for about 10 days memorizing lines, getting costumes ready, preparing the set, working on the program, and practicing our parts every day during our power-up time. We're really glad that many of you were able to come and see it.

Halloween

We will have a Halloween party on Tuesday, October 31 at 2 pm. The students can wear costumes for the party. We will change into them just before the party begins. They can bring a beverage to drink and a treat to pass if they'd like to, as well. Thanks!

Have a great weekend!
