4. State tournament is by invitation only and is held in St Cloud at the River's Edge Convention Center in St Cloud on Friday and Saturday, February 7-8th, 2020.
5. There should there be availability, we could add more tournaments--it is VEX Robotics that limits this so that all schools have an opportunity to compete. There has not been an admission fee to come to any of these events and parents are very much welcome to come. Thank you for being a part of our program!
