

Ready For 7th Grade?

7th Grade Orientation Information

7th Grade Orientation

There will be a formal 7th grade orientation on **Monday August 26th, 2019** and all new 7th grade students are expected to attend! Parents please drop your new 7th grade student off at the **MAC entry between 11:40-12:00**. Please have them eat lunch ahead of time and they are welcome to bring their backpack and any school supplies that they want to leave in their locker. Throughout the day students will get their class schedule, take a tour of the school, meet all of their new teachers, do a mock bell schedule and hang out with their classmates and WEB leaders. **Parents are invited to a meeting at 4pm in the MAC** with an open house of the school to follow. If you already know that your student is unable to attend please contact Mr. Teske as soon as possible.

What is WEB?

WEB, which stands for “Where Everybody Belongs” it is a middle school orientation and transition program that welcomes the new 7th graders and makes them feel comfortable throughout the first year of their middle school. As positive role models, WEB Leaders are mentors and student leaders who guide the 7th graders to discover what it takes to be successful during the transition to middle school and help facilitate 7th grade success.

Class of 2025 Remind

Parents and students can sign up for text reminders for important events that happen throughout the 7th grade school year. For example, Mr. Teske might send out a reminder about a science project or Mr. Boman might send information out about Community Service Day. This is completely optional, but a great way for everyone to stay connected! Text the code @8fe929 to the number 81010 to enroll!

Contact Information

Any questions or concerns please do not hesitate to contact one of the WEB Coordinators!
